Women
in Faith

We serve.
We advocate.
We make a difference.

United Women in Faith advocate for a more just world to improve life for women, children and youth.

2026 Priority Legislative Issues

Public Education

Increase the basic allotment so Texas per-pupil funding meets the US per-pupil average
Index the basic allotment to inflation

Health

Strengthen the state health and human services system through the Sunset process
Support strengthening enrollment systems for public benefits
Clarify that lethal fetal abnormalities are exceptions to the abortion ban

Violence Prevention

Support standards for responsible gun ownership
Support regulation of gun purchasing like red flag laws
Support community violence intervention programs

Voting Rights

Support extending early voting for a longer period
Support online voter registration
Support “any location” voting for all counties
Oppose new requirements or restrictions for individual voters

Climate Change

Support a comprehensive state climate change resilience plan
Support funding for air-conditioning in Texas prisons
Support fees and rate structures that prioritize renewable energy development
Support energy efficiency incentives for all classes of users
Support robust Texas compliance with federal methane rules

Religious Freedom

Reject public school curricula that promote sectarian religious content
Oppose co-opting faith communities into immigration enforcement
Oppose use of state public safety resources for federal immigration enforcement
